

LUNCH MENU

We love India and all it has to offer. The Chilli Pickle has always been about our spin on regional Indian cuisine and its own melting pot of influences. Some dishes are close to their roots and some not so. We also have a fondness for the Anglo-Indian curry house and often have our take on some of the ubiquitous favourites. Our passion is for big flavour, top drawer ingredients and ultimately our mission was to create a restaurant we would personally love to eat out in.

We hope you enjoy.
