Here is the runner and the kitchen porter! They're always working extra hard to get your food to your table and on clean, sparkling plates! They also need to carry a lot of heavy stuff! Can you count how many items they're both carrying?!

COMPETITION TIME!

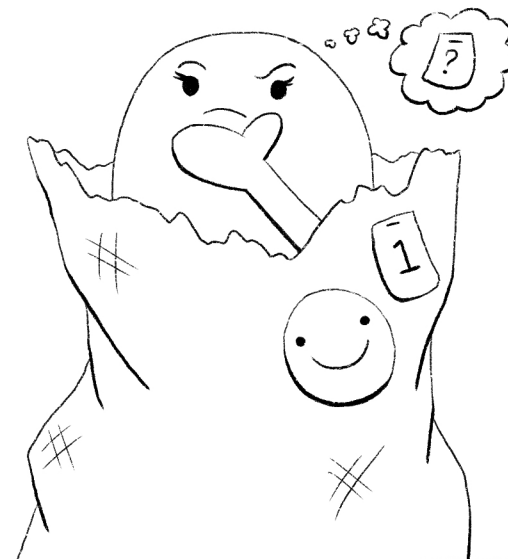

Our chefs and bar staff work very hard to bring you the most delicious dishes and drinks, and now they could use your help! Create your own curry, dessert or drink, and you might just see it on the menu soon! Good luck!

Your waiter is the person who takes your order and looks after you whilst you're here. They write everything down on a notepad so they don't forget it! The canteen staff are always busy packing food for people to enjoy at home. Each bag gets a ticket so they can make sure every order reaches the right person. There are 8 tickets hidden on this page, can you find them all?
